welcome **ABOUT US**

Founded In 2012 by Jacksonville native, Tay Scheibe, WithLove was curated from a heart for helping highlight Childhood Cancer Awareness and a personal pursuit to uplift children in the fight. Through care packages, new toy and blanket donations, and special events, WithLove works with pediatric cancer patients and their treatment facilities in Jacksonville and Nashville to deliver love, hope, and joy. WithLove is meant to not only bring awareness but inspire and give children with cancer the opportunity to be kids.

2012

FOUNDED

Tay organized her first toy drive as "WithLove" on February 14, 2012. She began coordinating larger toy collections, drop-offs, and events for pediatric oncology treatment centers, clinics and hospitals in Jacksonville, FL.

2016

REGISTERED 501c3

WithLove's toy drives and events became curated programs, propelling our cause to registered status.

2017

EXPANDED

WithLove took its mission to a new city: Nashville, TN!

introducing **OUR FOUNDER**

At the age of 10, Tay was diagnosed with Large Cell Lymphoma and battled this disease twice before her twelfth birthday. When she turned 21, Tay created a simple toy drive to give back to her treatment facility and celebrate being in complete remission. The community response and emotional connection to benefiting families made her realize this was meant to be much more than a one-time affair. Thus, WithLove Charity was born! For eleven years, she has coordinated annual toy drives and parties for facilities, built and shipped care packages, arranged sideline and game attendance, and scheduled personal play dates and other special events for families affected by pediatric cancer in Jacksonville, FL, and for six years in Nashville, TN.

golden hero box SPONSOR

WithLove's Golden Hero Box was designed to change how children with cancer experience a care package. We receive 10 - 15 GHB requests a month, and at \$50 a box, each GHB is unique to its recipient. By becoming a sponsor, you will fulfill the care packages for your month of choice, and help brave children like Bryce here, make it through another appointment, lift their spirits, and allow them to be a kid.

host a **FUNDRAISER**

Host a fundraiser for WithLove through your company or community event. Local gyms, restaurants, and churches are always excited to get involved in a give-back opportunity. Past fundraiser examples include happy hours, toy drives, sip & shop events, and "workouts for a cause."
